who we are

The Kurdish African-European band NANOBEAT comes from Cologne and sets new standards in Fusion Music. NANOBEAT was founded by the Kurdish-born drummer Heminderya. The band members are from Kurdistan, Ivory Coast and Germany. The music combines European instruments with oriental singing.

our mission

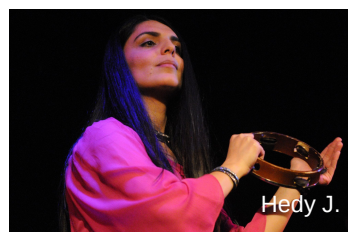

All NANO particles from origin, culture and music merge into a new and equally indestructible NANOSOUND. The sound has no limits, goes beyond tradition and changes everything.
