who we are

The band NANOBEAT, based in the Bonn/Rhein Sieg Kreis was created by the Kurdish drummer and Music producer Hemin Derya.

With NANOBEAT he has shaped his own musical style: NANOBEAT Style.

NANOBEAT combines a wide range of musical styles such as rock, pop, world, jazz and classical elements and merges them into a new Sound. In NANOBEAT, musicians from different nationalities and cultural background.

the new global sound

NANOBEAT is a true symbiosis of traditional Kurdish and Oriental Music with elements of international rock and pop music. It sounds like a mixture from Rage Against the Machine, Red Hot Chili Pepper and Amy Winehouse with a touch Oriental..
