## PRESS KIT

## who we are

The band NANOBEAT, based in the Bonn/Rhein Sieg Kreis

was created by the Kurdish drummer and Music producer Hemin Derya.

With NANOBEAT he has shaped his own musical style: NANOBEAT Style.

NANOBEAT combines a wide range of musical styles such as rock, pop, world, jazz and classical elements with traditional oriental music and merges them into a new sound experience.

## the new global sound

At NANOBEAT, musicians of different nationalities meet different cultural backgrounds.

This is one of the main ingredients of this new global sound.
